To whom it may concern

We issue this warning to all our valuable customers to avoid confusion and false purchase. Any products having CIRCUTOR logo sold in the past or offered in the present in Asia-Pacific (specifically in Cambodia, Laos, Myanmar, Malaysia, Vietnam, Indonesia and Thailand) by any of the channels or persons mentioned below are counterfeit and imitation products.

These counterfeit and imitation products are low quality and low price unauthorized replicas or unauthorized look-alikes of genuine goods. Counterfeits fraudulently use exact trademarks to deceive buyers, while imitations may slightly modify designs to avoid trademark violations. Both undercut legitimate businesses, violate intellectual property (IP), and risk consumer safety.
